## Patrol Will Try Prevent Mishaps

TALLAHASSEE — The state highway patrol prepared Wednesday for an all-out effort to prevent traffic accidents over the long Labor Day weekend.

Patrol director H. M. Kirkman, noting that 15 were killed during the Labor Day period last year, said "all available enforcement officers will be on the highways during the holiday."

All troopers leave from Friday until midnight Monday were canceled. Uniformed patrolmen now on desk duty will be shifted to highway duty, Kirkman said. The patrolmen will work a nine to 12 hour day or around the clock if necessary, he said.

The weekend also marks the end of the 24-state summer "Slow Down and Live" program. The patrol said that the death toll in the 24 states participating in the safety program dropped 11 per cent as compared with the same period last year. Florida experienced a 15 per cent drop during the period.

But the highway patrol said Florida's total number of traffic deaths this year is only three per cent less than last year.

Civic club members have been invited to ride with the troopers and get a first-hand view of the problem of handling heavy holiday traffic.

## Driver School Will Use Elliott Ford

Elliott Motors, Inc., of Pahokee is furnishing this year a new dual-control Ford sedan for use in the driver education courses being offered to students of legal age to learn to drive at Pahokee and Belle Glade High Schools, according to W. A. Slaughter, driver education instructor at both schools.

Slaughter, who organized driver education courses in the Glades schools two years ago, was named last May an FEA delegate on the Governor's new Committee on Health and Safety. He plans at the committee's first meeting to make a proposal that driver education courses be made available also to adults in the State and County adult education programs.

## Jacksonville Has Unusual Weather

JACKSONVILLE—An average temperature of 84.8 degrees — 3.3 above normal—made the past month the hottest August in Northeast Florida since records began in 1872, the US Weather Bureau said today.

R. L. Anderson, meteorologist in charge, said the previous record was August, 1878, with an average of 84.4 degrees.

August rainfall amounted to 2.50 inches, 3.76 below normal, Anderson said. It was the eighth consecutive month with rainfall in North Florida below normal.

A national survey made by an organization that accurately predicted the latest national election revealed that more than two-thirds of the people want better roads more than any other public improvement.

## Cut Off Delinquent Pahokee Water Users

Action to collect delinquent water bills was started the past week by the Pahokee Waterworks Department with the shutting off of city water and removal of meters in residential groups of 10 meters in cases where bills are long past due.

The city water bills are due after 10 days from date of issue and become delinquent after 30 days. Under present plans the waterworks department will continue its policy of shutting off city water until all delinquent bills are paid, according to city officials, who said water service will be restored as soon as the overdue bill plus the one-dollar turn-on fee is paid.

## Canal Point School Ready For Opening

Everything is in readiness for the opening of the Canal Point School on Tuesday, Sept. 7, when school buses will run on their regular morning schedule and the registration of pupils, second through eighth grades, will start at 8:30, according to Principal Carl Crawford.

First grade pupils who were not registered at the regular time, Aug. 30, will also register on Sept. 7. It is expected the registration will be completed and the buses will return the children to their homes before noon on the first day. The school lunch room will open for the serving of lunches on Wednesday.

## Collins To Back Democrat Ticket

TALLAHASSEE — Gov.-nominee LeRoy Collins said today he will support the entire Democratic ticket this fall.

But Collins said he does not know if he will have time to exert any "special effort" on behalf of two congressmen with serious GOP opposition.

The extent of my activity for other candidates," Collins said, "will depend on circumstances and my own campaign requirements."

Collins is opposed by Republican J. Tom Watson of Tampa, who is making his third bid for the governor's chair.

Collins said he will participate in numerous party rallies and will ask his supporters to vote the straight Democratic ticket.

"On my own I shall seek the support of all the people of all Florida, and I shall also seek their support for the program I want to give leadership to as governor," Collins said.

Collins made the statement following a warning Tuesday night from the chairman of the State Democratic Executive Committee that two Florida congressmen are in "serious trouble."

## ENJOY WIENER ROAST

Children of the Junior Department of the Pahokee First Methodist Church School enjoyed an outdoor party and wiener roast at the city park Monday evening at 5. Mrs. Richard P. Hurt and Mrs. Lloyd Hundley were in charge of party arrangements. Refreshments were served to 18 children.

## Foot Ball Clinic Scheduled Sept. 10

Plans for the annual Lions All-Glades Football Clinic were announced at the Tuesday luncheon meeting of the Pahokee Lions Club. The clinic, sponsored jointly by the Canal Point, Pahokee, Belle Glade, South Bay and Clewiston Lions Clubs, will be held this year on the Belle Glade Memorial Field Friday, Sept. 10, starting at 8 p. m. It will give Glades football fans a pre-season view of the Pahokee Blue Devils, the Belle Glade Golden Rams and the Clewiston Tigers as each team maneuvers on the field to demonstrate for the spectators various running and passing formations, violations of rules and the penalties imposed, new changes in rules, the meaning of officials' signals and other phases of the game, a better knowledge of which makes football more interesting to watch.

The program, in addition to the precision drills by the high school teams will include a mock scrimmage on the field by two Lions teams sponsored by the Pahokee and Clewiston Clubs. Tickets to the clinic will be \$1 for adults, with children to be admitted free. Proceeds will go toward the financing of Lion activities in the Glades area.

Distributed at the meeting were tickets for club members to sell for the public barbecue which the Pahokee and Canal Point Lions Clubs will sponsor jointly Wednesday, Sept. 8, from 4 to 1 p. m., proceeds to go toward the purchase of a new \$1,321 electric score board for Lair Field in Pahokee. The barbecue tickets sell for \$1.50 for adults and \$1 for children. The barbecue pits of the Elks Lodge will be used, the meal to be served outdoors if the weather is clear; indoors, if rainy. In addition to co-sponsoring the barbecue the Pahokee Lions have voted a contribution of \$100 toward the purchase of the score board.

President Ralph Johnson called upon chairmen of standing committees for reports of club activities through August.

## Safety Precautions By Highway Patrol

"Operation Holiday" will again be conducted statewide this year by the Florida Highway Patrol according to State Trooper Charles McWilliams of the Florida Highway Patrol. In this operation members of various civic organizations will be invited to ride with the Troopers for their interest of public safety. The operation begins Friday, September 3 and extends through Monday, September 6. The Florida Highway Patrol asks that all operators of motor vehicles drive with the utmost caution during this Labor Day weekend.

## PTA TO MEET

The Pahokee Parent-Teacher Association will conduct its first regular meeting of the new school year in the high school auditorium Monday night, Sept. 13, at 8 p. m., with the new president, Mrs. John A. Dulany, presiding for the first time. The program will be presented by James W. Vann, program chairman.

## Drivers' License On Sale In Pahokee

Mrs. Juanita Cowart, again this year acting as agent for County Judge R. P. Robbins, opened an office for the issuance of the State 1954 driver's license in the Florida Highway Patrol Station, 702 East Main St., Pahokee, Wednesday. This office will be open for the convenience of car and truck drivers in the Pahokee-Canal Point area from 9 a. m. until 12 noon and from 1 to 4:30 p. m., daily, Monday through Friday, and from 9 a. m. until 12 noon Saturdays through Sept. 30. A 25-cent issuance charge is added to each \$2 chauffeur's license, and \$1 operator's license fee at the local office.

## Miami Kiwanians Hear Glades Story

Members of the Miami Kiwanis Club are a little more familiar with Upper Everglades history than they were a few days ago. Country Editor Paul Rardin spoke before that civic group last Friday and delivered his now famous speech—"The Everglades—Then and Now." 330 Kiwanians and 36 visitors heard Rardin when he spoke at the Columbus Hotel, regular meeting place of the club.

This week after his return from Miami Editor Rardin received the following letter of thanks: "Dear Mr. Rardin, The Miami Kiwanis Club sincerely appreciated your taking the time and trouble to be with us for our meeting last Friday. Your talk was most interesting, informative and enjoyable. Thanks again. Cordially yours, Charles F. Cushman, secretary of The Miami Kiwanis Club."

## It Must've Been A Yankee Hurricane

WEST PALM BEACH—Weather-wise folk here were perturbed about remarks made Tuesday night by commentators on nation-wide radio broadcasts.

The commentators referred to hurricane "Carol" as "the blow that swept up the coast from Florida." Checking with the United States Weather Bureau here, they were told that "Carol" developed into a full hurricane in the Atlantic 210 miles east of Daytona Beach and that it was 250 miles at sea when it passed Jacksonville. They challenge any claim that "Carol" was a "Florida Hurricane."

And they recall when a severe blow developed far to the north, took an unusual heading to the south and moved in on Florida.

A newspaper copy editor tired of reading of "Florida Hurricanes" striking all over the nation, wrote this headline:

**YANKEE HURRICANE  
HEADS SOUTHWARD  
TOWARD BAHAMAS**

And in the record books now, that storm is tagged as the "Yankee Hurricane."—Miami Herald.

## DRAFT BOARD HOURS

The draft board at Belle Glade, until further notice, will be open Mondays through Thursdays only.

## Local Lions Will Honor C P Teachers

The Canal Point Lions at their dinner meeting Monday night announced plans for honoring the teachers of the Canal Point School on Monday, Sept. 20, when members of the teaching staff and Principal Carl Crawford will be dinner guests of the club at a meeting in the Community Park building. The wives of members will also be invited guests at this meeting.

The club secretary, H. H. Sears, Sr., was instructed to write a letter to the U. S. Engineers requesting that the tall weeds and grass that have overgrown the land side of the Lake Okeechobee levee for five or six-mile stretch in the Canal Point area be mowed down as it has been done on the other stretches of the levee.

William (Bill) Moss, a visitor from the Pahokee Lions Club, distributed to members to sell, tickets for the public barbecue which the Pahokee and Canal Point Lions are sponsoring jointly at the Pahokee Elks Lodge grounds the evening of Sept. 8 for the benefit of the proposed new scoreboard for Lair Field.

Reports on club activities for the past month were given to President Osceola Upthegrove by standing committee chairman.

## Rotarians Hear PBIA Instructor

Capt. C. W. Smith, an instructor in the 1707 Training Squadron (amphibious) at the Palm Beach Air Force Base, was guest speaker at the Thursday luncheon meeting of the Pahokee Rotary Club.

Introduced by Major R. R. Keith, an officer in the same squadron who was also a luncheon guest of the club, the speaker told of the special 55-hour course in amphibious training for rescue purposes which the USAF is teaching some of its airmen at the PBAFB. A considerable part of the training activities take place on Lake Okeechobee where the Air Force has the 15th air crash boat flight stationed at Canal Point, he said. Capt. Smith also told how the Air Force's air rescue operations throughout the world promotes international good will for the United States. The motto of his squadron is "That Others May Live," he said. The Rev. W. Hal Hunter was in charge of the program.

John A. Dulany introduced as visitors Ralph Kidder, Nat Taylor, Clarence Kidder, M. H. Byron and E. D. Humphries, all members of the Belle Glade Rotary Club, and W. Frank Tillis, a Pahokee Lion.

## BIRTHDAY PARTY

Judy Canipe celebrated her tenth birthday anniversary with a slumber party held at the home of her parents, Principal and Mrs. Clyde A. Canipe. Preceding the party Judy and her guests saw a motion picture at a local theatre.

## FIRST VA HOME LOAN

The first direct home loan from the Veterans Administration in this area of Palm Beach County was awarded September 2 to Albert Leslie Angel of Pahokee, according to Lennard C. Brown of the VA office in Pahokee.

## Cinematic Chatter

By Malcolm Millar

Hello everybody! Paul Douglas pounded the pocket of June Allyson's catcher's mitt and grinned dolefully. "All my life I wanted to be a baseball player, and where does it get me?", he demanded. I wind up on the sidelines while June plays catch with an eleven-year-old kid. The baseball bug is something I've had since I was a kid. More than anything else I wanted to play baseball but I never made the grade." Instead, Douglas became a Yale gridiron star and then played professional football. Later he became one of radio's best known sports announcers. But for more than twenty years he was a frustrated actor as well as a frustrated ball player. It was playwright Garson Kanin who turned the sports announcer into an actor when he spotted Douglas as the ideal choice as Judy Holiday's co-star in "Born Yesterday." In sport-caster's parlance, Douglas describes his belated theatrical success as a "fluke hit." However, as a result of the "fluke," he appeared in "Born Yesterday" for 1,024 Broadway performances, won the Clarence Derwent and Donaldson acting awards, and went on from there to starring roles in Hollywood.

## BIRTHDAY PARTY

Mrs. Duncan Padgett entertained at her home recently with a party for her granddaughter and house guest, Donna Joy Padgett of Loganville, Ga., who was celebrating her fourth birthday anniversary. Refreshments were served by the hostess to 12.

## The Training Of A Pharmacist

First he must attend an approved college of pharmacy for four long years. Then he passes a state examination. If his standing is high he is accepted as a probationary pharmacist who works under the direction of a regular pharmacist. When he has proved his ability he takes his final examination and becomes a fully accredited pharmacist.

## Pahokee Teachers Will Be Honored

The Pahokee Parent-Teacher Association will entertain at the Woman's Club building Tuesday, Sept. 7, at 8 p. m. with a reception honoring members of the faculty of both the Pahokee Elementary and High Schools. PTA executive board members will be hosts and hostesses at the reception. James W. Vann, program chairman, and Mrs. Thomas Elliott, hospitality chairman, will be in charge of general arrangements. Mrs. H. M. McIntosh and Mrs. Don Hillier, flowers co-chairmen, will decorate the clubhouse for the occasion. Since several new teachers have joined the faculty of Pahokee Schools this year, PTA is urging parents of all school children and friends to attend the reception and become acquainted with the teachers.

## Local Teachers To Be Feted By PTA

The Canal Point Parent-Teacher Association will hold its reception for the faculty of the Canal Point School at the conclusion of its first business meeting of the new school year Monday, Sept. 13, at 8 p. m. in the school auditorium. All regular meetings will be held thereafter on the first Monday night of each month through the school year, according to President Phelix A. Sloanaker who is beginning his second term of office as PTA president.

## TO HONOR MOTHER

Mrs. Jess M. Elliott will entertain at her home, 711 East Main St., Saturday from 11 a. m. to 12:30 p. m. with a Coke party in compliment to her mother, Mrs. Emma Wheeler, and sister, Mrs. E. L. Chapman, both of Lakeland, who are guests of the Elliotts this week-end. Assisting the hostess with the entertaining will be Mrs. Jean Bacon, Mrs. Marshall Lair and Mrs. J. V. Thomas.

Look for quality, durability and adequate size in buying metal prefabricated shower cabinets, the Plumbing and Heating Industries Bureau advises.

*Uncle Sam made the bonds you own  
an even better bargain!*

# Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25¢ a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,867.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid  
your interest as current income—  
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

## 3,235 Persons Receive State Welfare Aid

Thomas E. Penick, chairman of the District Board No. 10 of the State Department of Public Welfare, reports that in Palm Beach County 3,235 persons were assisted in the three categories of public assistance for the month of August.

A total of 1,556 persons received Old Age Assistance to the amount of \$69,534.00. 77 persons received Aid to the Blind, totaling \$3,728.00. 411 families, representing 1,259 children received Aid to Dependent Children in the amount of \$23,617.

In addition, 118 children received service during the month, 30 of whom were in foster homes.

The total State and local cost for these child welfare services was \$1,671,448.

There were six adoption petitions studied for the Circuit Court. These are children placed in homes independent of service through a licensed child placement agency, and the Welfare Board is responsible according to law to make these reports to the Court.

Other Palm Beach County board members are: Mrs. Grady H. Brantley, Lake Worth; J. B. Evans, Delray Beach, and Mrs. Helen R. Tedder, West Palm Beach.

## Additional Wing For Capitol Building

TALLAHASSEE — The State Cabinet authorized planning for an additional wing to the new Capitol Center Building to house the State Game Commission and leased space for the new Alcoholics Clinic to be located on Miccosukee Road.

Consideration was also given to the suggestion of Terry C. Lee, coordinator of state institutions, that some action be taken toward the construction of a new mansion for which the legislature appropriated \$250,000. This project has been delayed because of the death of the late Dan McCarty and indecision as to a location.

## Alligator Trained At Rainbow Springs

DUNNELLON — Scientists tell us there is no such thing as a trained alligator, but Roscoe, a new pet at Rainbow Springs, hasn't heard about it.

For the past week, an eight-foot alligator has been swimming rapidly from the bank of Rainbow River to welcome the visitors on each scenic submarine boat that makes the tour at the nearby tourist attraction.

And Roscoe comes when called dozens of times each day. For his hospitality he is given a loaf of bread and each time he consumes it greedily.

Roscoe made a brief appearance for the first time last year, but returned to his secluded world when a group of boys teased him. Since wild life at Rainbow Springs is protected by law, the management of the attraction is endeavoring to protect him.

Dave Edwards and Skipper Lockett, the colored guides who have plied up and down the river for 20 and 19 years, respectively, say they have never before seen a performing alligator. How long he will remain in the vicinity is unknown, but in the meantime visitors are seeing an added attraction which will have scientists scratching their biological heads.

## Seeks New Laws To Curb Sex Offenders

TAMPA — Speaking in Tampa last week Thomas E. (Ted) David, speaker designate of the Florida House of Representatives, called for immediate action to curb the increase in sex offenders and child molesters.

He urged the establishment of at least 100 child guidance clinics throughout Florida to handle mentally retarded children, pointing out that 67 per cent of the offenders are mentally retarded. Early treatment of the mentally ill, he contends, is the best way to check this growing menace to society.

While in Tampa David appeared on a panel, moderated by Marvin Holloway of the Tampa Motor Club, affiliate of the American Automobile Association. He pledged to set up a new legislative committee to be known as a Committee on Public Safety to consider the traffic problem and provide stricter laws fixing financial responsibility of motorists and promote driver safety courses.

Tourists are spending 49c out of every dollar for meals and lodging, according to figures recently compiled by the American Automobile Association.

## Defense is your job, too!

**T**HIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over, the nightmare of war is behind them. These boys have seen far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U.S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, *strength is* America's surest guarantee of peace.

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. For your security and your country's, too, buy United States Defense Bonds regularly!

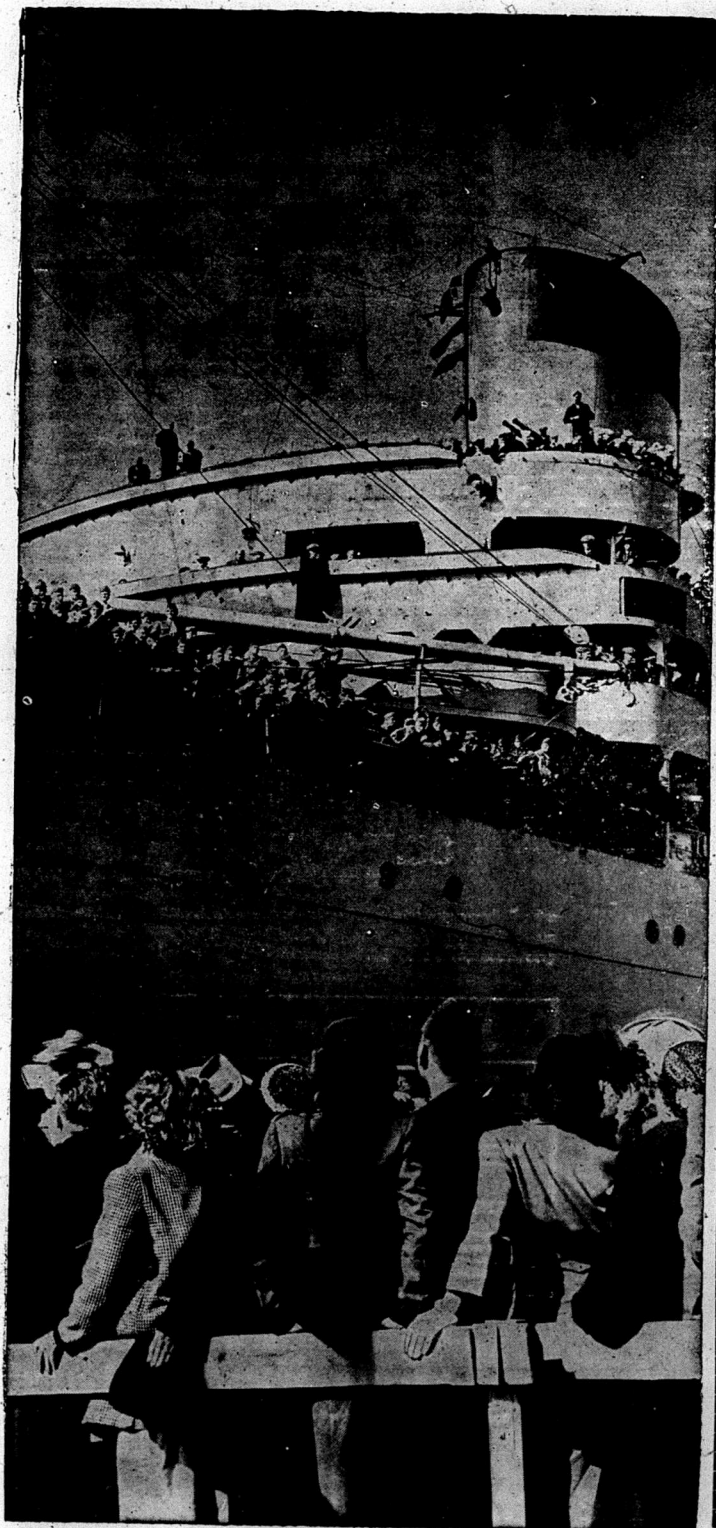

### The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now *every* Series E Bond you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

### Christian Science Group Of Canal Point

The ability, power, and sinless perfection which characterize man's real nature in God's likeness will be brought out at Christian Science services Sunday.

The Lesson-Sermon entitled "Man" includes the following passages from the King James Version of the Bible (Ephesians 4:7-13):

"But unto every one of us is given grace according to the measure of the gift of Christ . . . Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following passage will be among those read (258:21): "The human capacities are enlarged and perfected in proportion as humanity gains the true conception of man and God."

The Golden Text is from Genesis (1:27): "God created man in his own image, in the image of God created he him."

### Ask Contributions To Rebuild Spire On Old North Church

**BOSTON** — The Old North Church, which lost its famous steeple in yesterday's hurricane, is sending out another signal for action tonight.

The Rev. C. R. Peck, the vicar said he is mailing letters to the Governors of the 48 States asking help in restoring the historic steeple in which hung the signal lanterns for Paul Revere.

Vivian Peck said he is asking the Governors to appeal to church members and children in their states for contributions. He would like the fund to be similar to the penny campaign that restored the frigate Constitution in 1920.

The vicar said he did not know the cost of rebuilding the spire but architects are examining the damage and an estimate is expected soon.

### HOME FROM VISIT

Mrs. James H. Wilson and children, Kathy, Alice Joy and Jimmy, Jr., accompanied by Mrs. Melvin Spooner, returned home Tuesday from Winfield, Pa., where they were guests of Mr and Mrs. Spooner. Enroute home they toured New York City and Washington, D. C., and stopped at Brookline, Fla., to visit Mrs. Spooner's mother, Mrs. H. P. Gainey. Mr. Spooner, who has been engaged in the contract vegetable harvest business in Pennsylvania this summer, together with Loren Meredith, will join Mrs. Spooner at their home, 253 East Main St., later this fall.

American motorists are spending each year in insurance premiums more than all 48 States and the Federal Government are spending on roads.

# WHICH ONE DO YOU WANT?

*you can have your dream house—this easy way!*

A dream? Not at all! Thousands of people with modest incomes have been able to save the down payment, or the whole price, of the home of their dreams—because they invested in U. S. Savings Bonds on the Payroll Savings Plan. Look at the chart on this page. See how you can accumulate enough money for the down payment on a home. Or enough for your children's college education or a retirement income. And by saving only a few dollars a week, too.

The answer is that you save systematically on the Payroll Savings Plan. All you have to do is tell your pay office how much you've decided to save each payday (it can be as little as a couple of dollars). After that your money is saved for you, before you get your salary. Then each time enough has accumulated, it is invested in a Bond, and the Bond turned over to you:

And remember—your U. S. Savings Bonds now will bring you an average of 3% interest, compounded semiannually, for 19 years and 8 months. That's why the money you put into Bonds now grows to such a surprisingly big sum.

Why don't you start—today? Sign, where you work, for the Payroll Savings Plan. Or, if you're self-employed, have your banker enroll you in the Bond-A-Month Plan. It's as easy as the Payroll Savings Plan.

## How you can reach your savings goal on the systematic Payroll Savings Plan

	If you want approximately		
	\$5,000	\$10,000	\$25,000
Each week for 9 years and 8 months, save..	\$8.80	\$18.75	\$45.00
Each week for 19 years and 8 months, save..	\$3.75	\$7.50	\$18.75

This chart shows only a few typical examples of savings goals and how to reach them through Payroll Savings. You can save any sum you wish, from a couple of dollars a payday up to as much as you want. The important thing is, start your Plan today!

## Busses Will Use New Skyway Bridge

TALLAHASSEE—Tamiari Trail Tours, Inc. and Southern Tours, Inc. were issued permits by the Florida Public Utilities Commission to operate over the new Sunshine Skyway connecting Pinellas and Manatee counties across lower Tampa Bay. The new bridge is scheduled to open on Labor Day. The Commission also gave its approval to revisions required by U. S. Engineers in specifications for a proposed highway bridge to connect Palmda and Boca Grande over Gasparilla Sound.

## Personnel Will Be Questioned By State

TALLAHASSEE—A study of state personnel was begun last week when questionnaires went out to employees asking such questions as the nature of their work, how many relatives were on the state payroll, where they wrote, whether they own their own home and other queries.

Copies of the questionnaire were made public by John A. Madigan, Jr., Tallahassee attorney, and Royal Mattice, Florida State University professor, who were engaged to conduct the survey. The survey will cover about 12,000 state employees and department heads.

## Diesel Purchase Block Is Sought

JACKSONVILLE—Federal Judge Bryan Simpson heard arguments today on an Atlantic Coast Line Railroad motion to block purchase of 28 diesel locomotives by Florida East Coast Railway.

John W. Martin, FEC trustee, asked the court's permission to lease the locomotives from General Motors Corp. for one year after which the railway would buy them.

The Coast Line, which seeks a merger with the FEC, urged the court not to approve the purchase because of the "present status of reorganization" of the FEC.
